

DAVID JARVIS ASSOCIATES

Job Title:	Graduate GIS Specialist/Graduate Landscape Technician
Start date:	September / October 2018
Qualifications:	Degree or relevant industry experience
Salary:	£20,000-25,000 depending on experience
Location:	Cheltenham
Working Hours:	Permanent position, full or part-time, Monday-Friday

We are looking for a recent graduate/aspiring technician to join our busy, friendly office working on a wide range of exciting projects across the UK.

Current work includes:

- A wide range of mineral and mineral-related developments within the UK;
- Strategic Assessments and Environmental Assessments in the UK and overseas;
- GIS system design and implementation.

We are looking for someone with enthusiasm, commitment and a conscientious attitude with a keen attention to detail. You will be expected to take an active role as part of the technical design team, supporting senior staff in a wide range of work.

A demonstrable working knowledge of GIS and AutoCAD is essential, and you will also be expected to have a good working knowledge of Office and Adobe CS. A working knowledge of 3D modelling software would be advantageous. A driving licence is preferred as you may need to travel.

We offer paid overtime, pension contributions and a fun positive place to work. The position offers a wide variety of experience and provides an excellent opportunity for career progression.

If you are self-motivated, diligent and are looking to join a dynamic forward-thinking company, please send a covering letter, CV and relevant examples of your work to mail@davidjarvis.biz. If you would like to know more, please call the office on 01793 612173.
